

Office Building COVID-19 Policies & Protocols

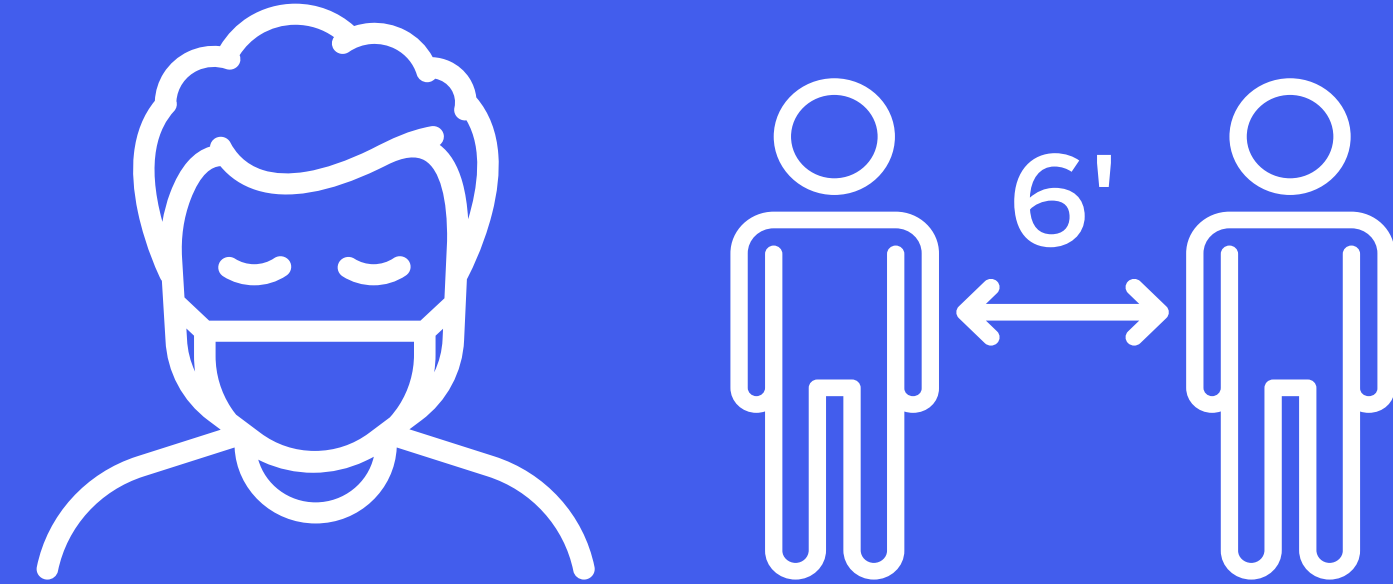

Revised July 22, 2021

Protocols for Fully Vaccinated Individuals

Masks are optional in building common areas such as the lobby and elevators

Protocols for Unvaccinated Individuals

Unvaccinated individuals are responsible for wearing a mask in indoor common areas and maintaining proper social distancing of six feet as per Federal CDC and New York State Guidance

Building Protocols

All building staff are required to wear masks at all times while on duty in public areas and tenant spaces

Those with elevated temperature or any other COVID-19 related symptoms should stay home

If you think you may have been exposed to COVID-19 contact your healthcare provider

Hand sanitizer dispensers and stations have been placed throughout the lobby

Frequent sanitizing will continue on all high touch surfaces in public areas of the building and sanitizing of tenant space will continue to be arranged directly between the tenant and the building janitorial contractor

HVAC systems will continue to deliver increased levels of outside air into the building

Visitors must be pre-registered in the building system
